I just spoke with Ray....would it be possible to start the meeting at K&L at 10:30 instead of 11:00, and then head to the park earlier? We would like to be all done by around 1:15.

Thanks

How about 11 at K&L.... then RM 10.9.....then beat the holiday traffic....

we could, if you think that would be better than meeting at the site. I would suggest meeting before, so we could beat the July 4th traffic going home.

Do Stephanie and you want to meet at K&L before or after to discuss?

ok, so should we meet at 1:00pm at the same parking lot we met in last time ?

The low tide is around 3:30 - we are in a spring tide - so slack water will fairly extreme - we are at MLLW around 2 PM.
